RAIT Coding Test

Coding Test Instructions

Welcome to your coding assessment! Please carefully read and follow all the guidelines below. Your performance and adherence to these instructions will be evaluated by **Campus Credentials** as part of their evaluation process.

General Guidelines

1. Solo Effort:

This exam is designed to assess your individual understanding and skills.

- Collaboration with others, copying, or using unauthorized aids is strictly prohibited.
- Any violations will result in **serious consequences** and may disqualify your submission.

2. Environment Check:

Ensure you are in a **quiet and distraction-free environment**.

- Close all unnecessary applications, windows, and browser tabs before starting the test.
- Use this time to focus entirely on the exam to maximize your performance.

3. Honesty Pledge:

Before beginning the exam, you must affirm your commitment to **academic honesty**.

- Any attempt to cheat or plagiarize will result in immediate disqualification.
- Integrity is a core value and is essential for a fair evaluation process.

4. Browser Lockdown:

Do not open additional browser windows, tabs, or applications during the exam.
